

## **SOLID WASTE AND RECYCLED MATERIALS APPROVED HAULER LIST (UPDATED 10/01/2010)**

### **Solid Waste**

All Service Refuse Company, Inc. is the only approved hauler of solid waste in the City of Sunrise. No other company may solicit or accept solid waste collection or disposal business in Sunrise.

### **Construction & Demolition (C & D) Materials**

The Sunrise City Commission on September 23, 2003, voted to eliminate the City's recyclable construction and demolition debris franchise program effective October 1, 2003. As of that date all construction and demolition debris is considered solid waste and subject to collection, transportation and disposal solely by the City's exclusive solid waste franchise hauler, All Service Refuse.

### **Commercial Recovered Materials Recycling**

Commercial recovered materials recycling is available to businesses in Sunrise that produce a mix of solid waste and recyclable waste. These items must be separated and disposed of in separate containers (dumpsters). It is the responsibility of both the business owner and the hauler to ensure that solid waste materials are not included with recyclable materials. While the solid waste must be hauled exclusively by All Service Refuse Company, Inc., the business may contract with another registered hauler for removal of recovered materials.

The following companies are registered in Sunrise as haulers of recovered materials for the period October 1, 2010 through September 30, 2011:

- Ace Waste Service, LLC
- All American Recycling Center LLC
- All Florida Scrap Metals, Inc
- Choice Environmental Services of Broward, Inc. D/b/a Public Waste Services
- Farris Waste Services
- Republic Services of Florida LP., D/b/a., All Service Refuse
- Smurfit Stone Container Corp
- Southeastern Recycling Corporation
- Sun Recycling, LLC
- Waste Management Inc. of Florida., D/b/a., Southern Sanitation Services
